

TO ORDER

The price list below is only a partial listing of what is available. If you don't see what you want, contact us. Depending upon availability, we may be able to provide exactly what you want. We offer leather and styles not shown here. Choose from the following selections.

We offer an **'Everday'** work boot, with 12in., 14in., or 16 inch tops, a one line loop stitch pattern, in black or brown (circle one) oil treated leather. You choose toe, heel and bug-deep scallop only. \$1200.00 YES

Our basic **Dress** boot comes with any height of top from 10 to 16 inches. You choose leathers, leather colors, fancy-work and style of toe, heel and top scallop. Most of the following leathers are available at no additional cost. \$1500.00 YES

Our **Packers** come in a work or dress version, to 12 inches in height. Options are the same as for the dress or work pull-ons. w \$1200.00 YES
d \$1500.00 YES

The **Fitter's Model** guarantees a fit. It is a 'mock-up' boot made for fitting purposes only. This is *not* optional, the price is automatically added to all mail order boots. \$150.00

Vamps: (circle one)

☞ *Water Buffalo Calf* (a good looking dress calf, faint grain)

Mirror (bright finish)—black, brown, burgundy, wine, amber, gray, red, forest green

Casual (satin finish)—black, brown, rosewood

Burnish (may be made satin or gloss) Same colours as *Mirror*, somewhat subdued

☞ *French Calf* (satin finish, very smooth)—black, dk. brown, burgundy, tan, navy, bright red. best of the best—adds \$300.00

☞ *Kangaroo* (lightweight, good dress leather, very strong)—black, brown, rust, amber, gray, red, burgundy, bone, many other colors—adds \$150.00

Tops: (circle one)

☞ *Kangaroo* (lightweight, smooth, excellent top)—black, brown, amber, rust, gray, red, burgundy, bone, other colors—adds \$150.00 unless vamps are also kangaroo—full kangaroo, top and bottom adds \$250.00

☞ *Kidskin* (lightweight, smooth, harder finish than kangaroo but more delicate) almost any color: blues, greens, yellow, bone, white, etc.

☞ *Water Buffalo Calf* (same as above)

mirror finish—black, brown, burgundy, wine, amber, gray, red, forest green

Casual (satin finish)—black, brown, burgundy

☞ *French Calf*—black, brown, burgundy, tan, navy, red—only with matching vamps

Tops and vamps may be "mixed and matched" both for color and type of leather, but it is never a good idea to put a heavier top such as French Calf on a light weight vamp such as kangaroo. Mixed colours additional.

Please circle the leather and color you choose for both vamps and tops.

Other leathers and/or colours are often available for both work and dress. Check for availability
